

## new age

**Tamás megjegyzései:** new age; ambient, dub electronica,downtempo meditation ??? New Age music was borne out of the confluence of 70s Free Jazz (e.g. Paul Wi]]][nter) and the ambient stylings of Brian Eno. It later became the soundtrack to the New Age movement, which promoted music, meditation, yoga and the like as means to shift one's consciousness.]] Environmental Healing Spiritual Ethnic Fusion Meditation
